The Art of Fashion, Beauty & Lifestyle

Sobol Fashion Productions presents full and half day seminars on a variety of personal interests in fashion, beauty and today's lifestyle. Highlights of the program include a Power Morning with pilates and yoga, Nutritional Wonders for beauty from within, Cosmetic Secrets including non-evasive procedures and make-up tattooing, Fashion Trends and "must haves" for your wardrobe, from "Mom to Model" in a day – personal make-overs and a fashion presentation, Feng Shui, the ancient Chinese art of placement and science and how it affects your daily life, Color in Your Home – Learn the hidden meaning and psychology of color and how it impacts your design and décor, Trends in Upholstery – the inside scoop on the latest trends in furniture upholstery, The World of Persian Rugs - Learn how to recognize the quality of materials, craftsmanship, design and history of some of the most exclusive rugs in the world, and much more.

Seminars available in half day, full day, and half week and full week retreats. Client may design their own series from the seminars available .

Turn key operations for morning or luncheon fashion shows with national and international fashion designers as well as evening gala fashion events are also available.
